- Cash-flow planning & projections
- Financing & investor support
- Board & investor reporting
- KPI dashboards & trend analysis
- Scenario & what-if modeling
- Systems & software selection
- Audit & financing preparation

STRATEGIC VALUE

One team, every level — so your client **never** has to start over.

When a deal needs clean books, send it to us.

Onyx is a Scottsdale-based accounting team — bookkeeping through CFO-level strategy — that gets a borrower's financials loan-ready and keeps them that way. We work alongside you and your client's CPA, so deals reach your desk prepared.

HOW WE HELP YOUR PIPELINE

- **Cleanup & catch-up** for books that aren't lendable yet
- **Monthly bookkeeping & controller** services that stay current
- **CFO-level forecasting & projections** built for a credit request

Make the introduction and we'll take it from there — and make you look good to your client.
